5) Circumstances Justifying an Exception (Continued) :

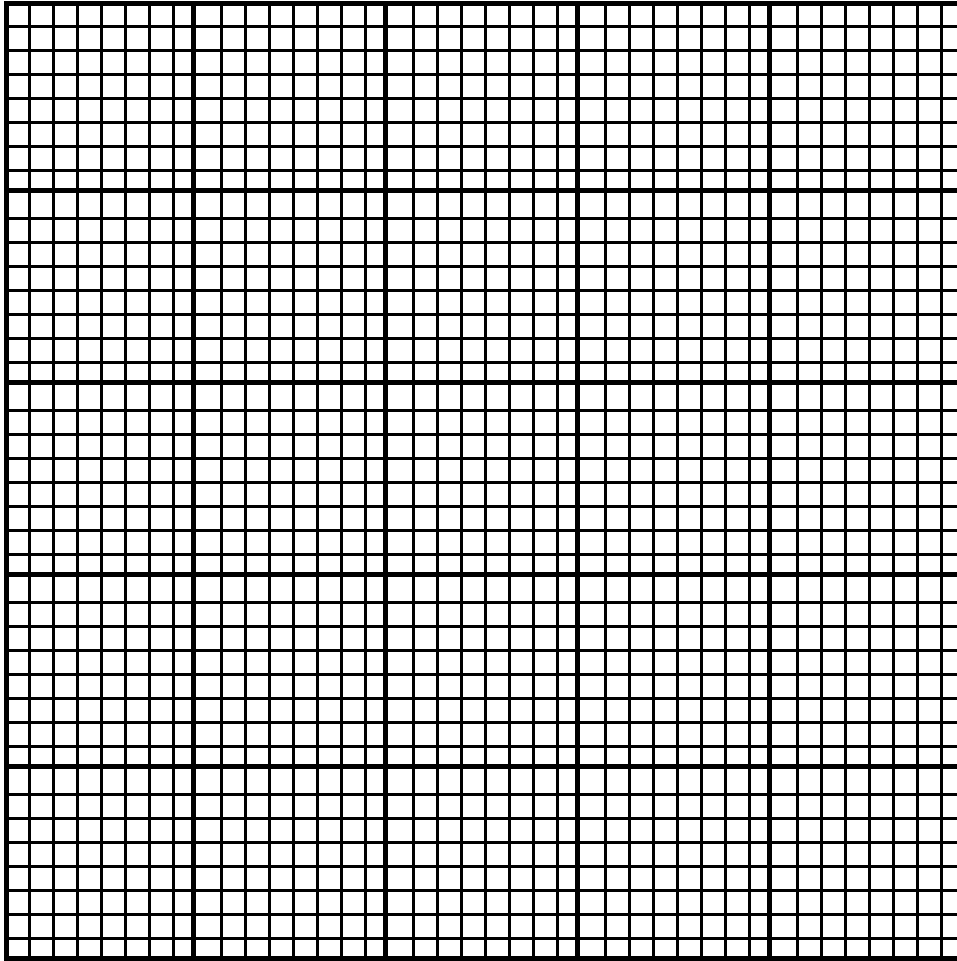

DIRECTIONS FOR COMPLETING THE ATTACHED PLAT:

A) For Well Spacing:

- 1) Draw the property lines of your tract of land within the large square.
- 2) Make a circle or a large dot within the large square indicating the location of the proposed well on your property.
- 3) Make dots on the map for the locations of ALL WELLS within 1/4 mile of the proposed well site labeling as X-1, X-2, X-3, X-4, etc.
- 4) In the spaces provided, list the names and COMPLETE addresses of all adjoining landowners and all well owners within 1/4 mile of proposed well site corresponding to each of the marked wells (X-1, X-2, etc). Include the footage of the marked wells from the proposed well site. Attach additional lists if necessary.

B) For Well Density:

- 1) Draw the property lines of your tract of land and of all the tracts within the survey section within the large square.
- 2) Make a circle or a large dot within the large square indicating the location of the proposed well on your property.
- 3) List all the names and address of all the property owners within the survey section where your property is located.
