agree that this well will be equipped to comply with all District rules. I understand that if this change in use is granted by the Board of Directors, the following restrictions will apply unless specified differently below:

- If the well use is being changed from irrigation (non-exempt) to domestic/livestock (exempt), the well shall be equipped so that it cannot produce more than 25,000 gallons of water per day.
- If the well use is being changed from domestic/livestock (exempt) to irrigation (non-exempt), the well must comply with all district rules including well spacing and well density.
- Any change in use, pump HP, or increase in the production rate above 25,000 gallons per day without having first obtained a permit amendment authorizing the change **voids** the permit.

I hereby certify that I am acquainted with the facts of this request and that all of the statements herein are true and correct to the best of my knowledge and belief. I understand that a violation of any provision of the District Rules by the applicant and / or landowner may be enjoined by the district and the district may collect civil penalties for the breach of the rules.
